## HANDS-ON INTENSIVE MEMBERSUITE TRAINING

Catapult your software knowledge with MemberSuite's Champion Training. This three-and-a-half days of hands-on intensive training will take your organization's staff from beginners to super users.

### OVERVIEW

- ✔ **What to expect?** 3.5 days of hands-on intensive training in a small classroom environment to maximize individual and personalized attention.
- ✔ **Who should attend?** Champion Training is a must for new customers that have been live on the system for 3+ months or organizations with new staff users.
- ✔ **When does it take place?** Training occurs once per quarter based on volume of attendees. Ask your Account Executive or Customer Success Manager for the upcoming schedule. Space is limited!
- ✔ **Where will it take place?** Champion Training is held in beautiful Atlanta, GA in the training facility of our corporate offices.
- ✔ **Why should you attend?** We train the trainer. Attendees will become a super user and a champion of the product able to train their colleagues on the software. Plus, you'll get to meet our team and network and learn alongside like-minded association colleagues.
- ✔ **What's included?** Lunch, drinks, snacks, happy hour, and laptops with test environments.

## Customer Testimonials

*"The Champion Training provided some excellent, hands on training in a small atmosphere where I was able to ask questions and really learn the MemberSuite system to a deeper level."*

**- Brendan Marsello,  
LERN**

*"The small group size really allowed our team to ask use case scenario questions and get answers needed. Justin was a great trainer."*
